

## Growth Framework (SLO) Development Toolkits

PD Toolkit	Description	Activity Time	Cost
<b>JumpStart Your Growth Goal Framework</b>	<p>This is an introduction to the growth goal and the framework. It includes the nuts and bolts of the PERA law and basic requirements, current research and design in other districts and states, different possible templates, and ways for framing the evaluator and educator process of using student growth on teacher evaluation.</p> <p><b>1) Video Presentation</b>  <b>2) Discussion Topics:</b> At break-points, there are specific questions for the audience to discuss in small groups or in a larger, facilitator lead discussion.  <b>3) Facilitator Guide:</b> Direction for discussions and additional resources to help lead staff through the process  <b>4) Resource Packet:</b> Participant slides and example SLO documents for participants  <b>5) Phone assistance consultation or Video Conference assistance consultation (One 50 min meeting)</b></p>	120 min* Training + Consult Meeting	\$1020
<b>SLO Analysis and Development Guides</b>	<p>This is a chance to look at what other districts are doing, and break down what will work and what will not work in your district. There are several samples of other models, and tools to help a PERA team research what is happening in other locations and begin to build their own framework for educators and evaluators in the growth goal process.</p> <p><b>1) Video Intro (10 min)</b>  <b>2) Participant packets:</b> Directions and activities for a SLO analysis process  <b>3) Facilitator guides:</b> Advice to help teams work through the process.</p>	60-90 min	\$600
<b>Combo: JumpStart Growth Goal Planning &amp; SLO Development Guides</b>	Full combination of above		\$1420

\* Video running time designed for multiple discussion breaks. Timing depends on length time allotted for discussions during the discussion break-points. Some users have found this video segment helpful at multiple meetings, and each discussion point runs multiple hours, some have used it for a 6 hour meeting guiding many discussions. It is up to the district and their needs as to how this is launched. The phone consultation will help the district through this process.
